30-SECOND PRESENTATION FOR RANDY

Thank you for subbing for me at Bull City BNI – day, time, and location information is at the top of the page. Information about the meeting is directly above.

The best presentation would be something from the heart. Here are a few sentences you can use, but feel free to ad-lib with your own words.

My name is _____ and I am subbing for Randy Bernstein of BrandShark.

BrandShark helps businesses share their brand identity so that they are remembered.

The great line of products offered by BrandShark includes embroidered and screen printed clothing, signs, and a million promotional items from around the world. BrandShark finds the right products for the business, their target audience, and their budget.
